

**Can you imagine
being sued for
trying to protect
something
irreplaceable?**

**FORESTS &
FREE SPEECH** **A NATIONAL TOUR**

The Tasmanian Forest Defenders invite you to hear about their extraordinary fight to save Tasmania's old growth forests and how they have been sued for more than \$6 million by Gunns Ltd - Australia's largest export woodchip company.

Learn how a landmark legal case may forever change the face of free speech and community participation in Australia.
